

Our Impact - Food Distribution

1 in 7 people in San Diego County are **hungry** (San Diego Hunger Coalition). Too many lack access to or cannot afford the nutrient-dense food they need.

Each year we provide approximately 40,000 pounds of food to 20,000 people, including low-income seniors and families, active duty military and veterans, immigrants, and Holocaust survivors.

From 2014 to 2019 Quarter 2

70% of all Coastal Roots Farm harvests have been donated to families in need

136,532

Pounds of organic produce distributed

95,144

Pounds of organic produce **donated**

379,256

Servings of organic produce distributed
