The San Diego Food Bank and the Del Mar Fairgrounds will host a large-scale “drive-thru” food distribution for low-income families and those affected by the COVID-19 crisis. In order to follow social distancing guidelines, the food distribution will be “touchless.” Attendees will not leave their cars. Food will be placed directly in the truck.

The distribution is first come, first served. The Food Bank will have enough food supplies to serve 1,000 vehicles starting at 9 a.m.

For health and safety reasons, no one will be allowed to “walk up” or receive food on foot. Individuals and families who are not able to arrive by car should call the Food Bank at 1-866-350-FOOD (3663) or visit: www.SanDiegoFoodBank.org/GetHelp for a food distribution site near their home.
