

# Farm Film and Music Series

COASTAL ROOTS FARM  EVENT SPONSORSHIP

Dear Community Partner,

We invite you to support Coastal Roots Farm's forth annual **Farm Film and Music Series**, 5-part summer series on the Farm featuring inspiring documentary films, local musicians, and meaningful conversations around equitable food systems, environmental justice, and caring for the planet.

## About the Farm Film and Music Series

The 2024 Farm Film and Music Series will showcase films and invite dialogue around themes of climate hope, food sovereignty, food equity, regenerative agriculture, and ocean conservation; highlight local nonprofit partners doing work to serve people and planet; and feature local musicians. Guests bring their own picnic dinner and a curious mind as they gather in community with shared values and commitment to a healthy ecosystem.

## About the Farm

Coastal Roots Farm is a nonprofit Jewish community farm and education center where we practice organic farming, share our harvest with those who lack access, deliver unique farm-based, environmental education, and foster inclusive spaces for people of all ages and backgrounds to come together to learn about food, farming, and Jewish tradition, and engage in ways that catalyze a healthier, more vibrant community and a more sustainable future for our region. The Farm is located in Encinitas, California, on land we recognize as indigenous to the Kumeyaay and Luiseño peoples.

Each year, the Farm grows 80,000 pounds of fresh organic food for more than 45,000 people including more than 70% which gets donated to community members in need. Additionally, we reach more than 15,000+ community members through programs and events. This is how we "Nourish Community."

## Farm Film and Music Series Sponsorship

Your generous contribution supports our greater impact in the community and comes with many benefits (see details on the next page). We hope you will join us on Thursdays May 23, June 20, July 18, August 22, and September 19 for these wonderful events!
