### **Private Events on the Farm**

Coastal Roots Farm is your community farm. Gather your community to mark a special occasion or invite your colleagues for a day away from the office. We offer a range of event experiences that embody the Farm's values and foster a deeper connection with the land and one another.

### **Commitment to Sustainability**

Coastal Roots Farm is dedicated to environmentally friendly practices that reduce our negative footprint. We request that guests prioritize reusable or compostable dinnerware and flatware to maintain these practices. Additionally, balloons and confetti are prohibited.

### **Food Policy**

The Farm's Food and Catering Policy adheres to the Leitch Commons Kashrut (Jewish Dietary Laws) Policy as well as a DefaultVeg strategy in which we will default to plant-based meals as part of the larger County of San Diego Climate Action Plan.

Food must always be vegetarian or pescatarian (no poultry, red meat, pork, or shellfish permitted).

### **Parking and Transportation**

The Farm has onsite parking spaces for you and your guests. We encourage carpooling to reduce emissions. All guests arriving by car should enter the property through the 441 Saxony Road entrance. Groups arriving by bus must enter through the 800 Ecke Ranch Road entrance. Please inform the Events Manager ahead of time of your planned mode of transportation.

### **Additional Policies**

- All Events have a "hard out" by 10 pm.
- Smoking is strictly prohibited (no cigarettes, e-cigs, vapes, etc.).
